For: **This Month's thought** (see page 4)

Christianity is not about doing good works to be saved. It's receiving the free gift from God by faith.

"For by grace are you saved through faith, and that not of yourselves: it is the gift of God: Not of works, that nobody can boast." (Ephesians 2:8-9)

"And they said, Believe on the Lord Jesus Christ, and you will be saved, and your household." (Acts

## **“This Month’s thought”**

### **What Does It Mean to be “Saved by Grace”?**

“For by grace are you saved through faith; and that not of yourselves: It is God’s gift (approach present), not of works **lest any man should boast.**” Eph 2:8

#### **The “Christian” Church’s Definition of the word “Grace”**

The word “Grace” according to Bible scholars and theologians means “unmerited favor” – the concept that none of us in the human race deserve to be saved because we are all wretched sinners. But God through His “graciousness” sent His Son (apparently instead of God coming to earth Himself) to die for all sinners, so those who “make the right choice” and accept Jesus Christ as their Savior will not have to die eternally.

Instead, God apparently will overlook the fact that we are all sinners (because as they say, no one IS perfect – or even CAN be perfect) so Jesus’ blood on Calvary somehow “covers us up” so God apparently cannot see that we are sinners. Or at least God apparently looks the other way and let’s us into heaven anyway because “Jesus died in our place.”

***WE can never be perfect, or so we are told, so we just “try our best” and “God makes up the rest!”***
